

CATALINA VRINCEANU

Front-End Developer | Multimedia Designer

PROFILE

I'm a multimedia design student passionate about web development, actively seeking collaborative opportunities to enhance my skills and contribute to exciting projects. With a strong work ethic and focus, I excel in independent settings, bringing a mix of creativity and determination. Eager to blend design with technical intricacies, I'm on the lookout for a role where I can learn and make a meaningful impact. Let's create something great together!

SKILLS

//HTML, CSS, JavaScript;
//VueJs;
//Wordpress/PHP;
